PAUCARTIKA
HACIENDA RETREAT CENTER

Welcome to the Hacienda Paucartika

A historic retreat in Peru's Sacred Valley.

Paucartika is a historic hacienda in Peru's Sacred Valley, with parts of the property dating back more than 300 years.

The hacienda sits just below the Incan ruins of Huchuy Qosqo, against the sharp face of the mountain.

During the rainy season, a waterfall descends from the rock above the property. In the same cliff is a condor cave, where a family nests and is often seen flying over the valley.

The property has been restored to host groups comfortably and accommodates up to 28 guests across 12 rooms, with shared and private options.

Our on-site team ensures seamless logistics, guest care, and thoughtful space preparation. We also assist with arranging transport, activities, and excursions.
